

**STF** «STF456»  
**Title:** «eCall Migration»  
**Author:** Bob Williams

**Subject:** ISO TC204 & WGs  
**Place:** Seattle, USA  
**Date:** 15-19 April 2013

**Travel Order:** STF/YYYY/NNN n/a

---

*Experts travelling to meetings other than those of ETSI TBs must produce an executive report of their attendance. The report should provide the necessary information to assess the benefit for the STF from the attendance. In particular, the report should mention the scope of the meeting/conference/event, the outstanding participants (persons, Companies, Organizations), the contacts realized, the interventions of the expert, the copy of presentations/documents submitted and, if possible, testimonials of the perception of the audience.*

*If required for the EC/EFTA contract, the original signed attendance sheets for the documentation of the in-kind contribution must be posted to the following address:*

*ETSI  
STFLINK  
650, Route des Lucioles  
F-06921 Sophia Antipolis  
France*

*Please send this report to <mailto:stflink@etsi.org> as soon as possible after the conclusion of your mission and before submitting the travel reimbursement request.*

*The approval of the Mission Travel Report by the STF Manager is required to authorize the reimbursement of the travel cost.*

*This is an example of “bullet points” structure.*

## **1 Scope of the event**

This meeting is the half yearly management plenary meeting of ISO TC204 (ITS) and also hosts several WG meetings.

## **2 Participants**

Representatives ISO members participating in ISO TC204.

The meeting is relevant to the work of STF 456 because it is the ISO TC responsible for ITS application standards, and it is important that this work is integrated and migration is cohesive with the development

of ITS standards, especially Cooperative ITS (WG18). The result of STF456 will likely impact the requirements and deliverables of their output.

### **3 In-kind contribution**

*Signatures were obtained from*

*ISO TC204 Plenary/CHOD: 48*

*ISO TC204 WG 4: 9*

*ISO TC204 WG 7: 9+3 by conf call*

*ISO TC204 WG18: 22*

---

*88+3 by conf call*

### **4 Outstanding presentations**

*I provided a briefing (130320 To CEN TC278 stf456\_v001) as approved by the STF team leader, briefing ETSI TC-ITS participants on the remit and work schedule of STF456, offering sharing of all key documents, and inviting contribution and comment to the work of the STF.*

### **5 Presentations/interventions from the STF**

*See 130412 To TC-ITS stf456\_v001*

### **6 Stakeholders reaction/comments**

*The TC acknowledged the importance of this work and its relevance to ISO TC204 and the importance of integration. The TC welcomed the opportunity to comment and contribute and asked for draft documents to be shared at an early stage so comments could be timely. WG16 requested a briefing at a later opportunity.*

### **7 Knowledge acquired / guidance received for the STF work**

*This was a preliminary input to brief them on the remit of the STF and stimulate the cooperation and involvement in the work of the STF. Some helpful comments were provided to the STF by the participants*

### **8 STF results dissemination / recognition**

*I was welcomed as a representative of the STF, see also comments in 6.*

### **9 Impact of the participation on the STF**

*This was a preliminary input to brief them on the remit of the STF and stimulate the cooperation and involvement in the work of the STF. It received positive result and a promise of review, cooperation and contribution.*

### **10 Conclusion**

The outreach was successful in liaison to ISO TC204, in briefing it as to the remit of the STF, and in obtaining promises to review and contribute

Bob Williams
